

# CATs tests

CATs is a multi-level programme. The tests provide learners of all ages with recognition of their English language achievements. Learners keep motivated to develop their language skills.

PREPARATION  
MATERIALS

COMPUTER-BASED TEST

RESULTS

### Secure and reliable

CATs tests are delivered by computer. This can be at a venue chosen by an institution, or at dedicated test centres to make sure the tests are secure and reliable.

### Online results

Fast, online results provide test scores and feedback about performance.

### World-class standard

CATs tests are quality assured to the Common European Framework of Reference (CEFR) for languages. This gives learners a recognised standard of achievement.

Graphics and activities are appropriate for different age groups.
